Hello,

My name is Bill Wright and I am the President of the Carrick Hockey Association. If you sponsored us in previous seasons, we would like to start off by saying thank you!

As the only hockey team representing schools in the city of Pittsburgh, combined with a few surrounding districts, we face several challenges. We need your help! Any donation goes a long way to keeping kids on the ice where they love to compete. The Carrick Cougars receives no financial assistance of any kind from our schools, so our program heavily relies on help from our sponsors.

Our hockey program is very competitive with all the bigger school districts and with many high-talented athletes. We are proud to say that many go on to play college and junior hockey levels. Our Varsity team is Co-Champions for the 2019-2020 season.

Please review the attached sponsorship information and help support our program! Anything would be appreciated and would be a huge help to our organization.

Sincerely,

Bill Wright
